Reservation Policies

The Ole Miss Student Union (OMSU) Ballroom may be reserved for use by recognized and/or registered student organizations and university departments. Exceptions to the following guidelines will be granted at the discretion of the Director of the Ole Miss Student Union or his/her designees. The Ole Miss Student Union is supported by the university in order to support the facilities, programming and services to the entire Ole Miss student population. Thus, policies and parameters regarding building use are developed to create a productive and positive learning environment for Ole Miss students. The department may limit activities, guests and use of space to reflect the needs of all Ole Miss students.

All reservations for the Ole Miss Student Union are as follows:

- Recognized Annual University Events (e.g. New Student Orientation, Welcome Week, Open House, and Commencement) may be scheduled up to two years in advance. These are complex, annual events that impact the entire university and require coordination with the overall university calendar and extensive advanced planning
- Special Events (multi-venue/multi-day) may be scheduled up to one year in advance. During peak hours (after 5:00 p.m., 7 days a week) clients are limited to four (4) Special Event reservations per semester. These are complex events coordinated by a registered student organization or university departments that require substantial advanced planning such as major activities related to cultural month celebrations (such as Black History Month), sorority and fraternity recruitment, superior accomplishment award ceremonies, and conferences.
- Series Reservations (monthly meetings) may be scheduled beginning on July 1 for the current fiscal year. The Student Union Ballroom is unavailable for weekly meetings.
- Single Reservations may be scheduled on a first-come, first-served basis after August 1, for the current academic year.

Reservation requests received by the priority deadline will be assigned according to the following priority:

- Recognized University Events
- Registered Student Organization and Division of Student Affairs Events
- Other University Department Events

Reservations can consist of a four-hour reservation or a full-day reservation for the OMSU Ballroom.

The fees associated with the reservation include setup of the room with chairs and/or tables.

Late Cancellation/No Show

Failure to cancel a reservation in a timely manner (30 days in advance for Special Event reservation, and three (3) business days in advance for a series/single reservation) will result in a late cancellation/no show fee. Event Storage Space

Due to limited space, storage space for supplies is not available at the Ole Miss Student Union.

Decorations

Decorations, signs, and other materials may not be attached to the walls, doors, or painted surfaces with tape or staples. Poster putty or painter's tape, provided by the client, may be used. All materials must be removed at the conclusion of the meeting, event, or program. The use of glitter, confetti, bubbles, and fog/vapor machines is strictly prohibited. For best practices, all decorations should be approved by the OMSU Reservations office.

Fronting

Registered student organizations, university departments, or individuals may not serve as "fronts" for off-campus groups in order to gain unauthorized use of meeting space for the off-campus user. Meetings and events reserved by registered student organizations or university departments must fall under the following guidelines:

- The event/meeting must be conceptualized, planned, and managed by the registered student organization or university department and must truly be an organization or department initiative.
- Any costs associated with the event/meeting must be paid by the registered student organization either by providing a University account number or from the checking account belonging to the registered student organization.
- If the OMSU Reservations office suspects and/or believes that a reservation is fronting, reservation capabilities for the sponsoring organization will be revoked.

To be good stewards of our resources, the OMSU promotes and supports the initiatives and programs of the University, departments and registered student organizations, not individuals or businesses. The OMSU Reservations office will make the determination as to on-campus vs. off-campus sponsorship by considering the nature of the event, past experience with respect to similar events, type, and the nature of attendees.
